## ENRICH YOUR FAITH

One of the greatest investments that can be made for your faith is visiting the Holy Land, the one place on earth where Jesus actually walked and where the pages of God’s Word come alive before your eyes. Traveling to the Holy Land is walking through the pages of the Bible, stepping on the very ground on which the Bible was founded. It’s the experience of singing praise songs on the Sea of Galilee, at the Mount of Beatitudes, in Capernaum and Nazareth. It’s the wonder of re-dedicating your life to Christ as you are baptized in the Jordan River.

*No words can say how much I had been wanting to go to Israel and God put together such a perfect trip with Rich, Cheryl and Ezer! - Gloria*

*Rich, when I first heard about the trip I thought it might not be a bad idea to go...turns out it was FANTASTIC! I feel closer to Christ....Thank You! - Curt*

## MEET PASTOR RICH AND CHERYL

Pastor Rich Anderson, beloved Pastor of Capistrano Community Church in San Juan Capistrano went home to be with his Lord on June 4th, 2019. However his legacy of leading incredible faith-based tours to Israel lives on. Rich and Cheryl traveled to Israel many times and believe that a trip to the Holy Land, specifically a *faith based tour to the Holy Land*, is a profound experience that has an impact on your spiritual life and passion for Jesus Christ. Rich and Cheryl love the Lord, His people, and traveling, especially to the Holy Land. Pack your Bible, open your heart and join others on this exciting spiritual adventure to the Holy Land. We try to limit each tour presented on The Holy Land with Rich and Cheryl to one bus which allows an intimacy and ability to see more sites than larger tours. So we encourage you to reserve your space as soon as possible with a deposit. Please email Cheryl at [Cheryl@theholylanwithrichandcheryl.com](mailto:Cheryl@theholylanwithrichandcheryl.com) and include your phone number if you would like her to call you. Aside from Rich, her favorite subject is the Holy Land, she will be happy to talk to you about God’s promised land, Israel!

## How We Get There & Where We Stay

We help arrange flights to the Holy Land on El Al from large international airports to Tel Aviv. Most flights are between 10 & 14 hours, so the flight arrives in Tel Aviv the next day (*Israel is 10 hours ahead of California, 7 hours ahead of Atlanta & New York*). Ezer, our guide, meets us at the airport and whisks us away by bus to the Sea of Galilee. In Tiberias, the Galilee region, we stay at the Gai Beach Hotel, a resort right on the shores of the Sea of Galilee. In Jerusalem we stay at

the Leonardo Plaza Hotel, near the Great Synagogue and about 4 blocks from the Jaffa Gate and Old City. All the hotels we stay in are considered 5-star hotels in Israel and have all the amenities you are used to, also, our stays are for a minimum of three nights, so you will not be checking in and out of hotels each day. Breakfast and Dinner is included at all hotels, they offer full buffets for each meal, with fresh fruits, vegetables, salads, cheeses, several meat dishes, sides and desserts. Ask anyone who has been there, they will tell you the food is fabulous!

## What Is The Weather Like?

The weather in Israel is comparable to Southern California. Days in the Spring and Fall are around 70–80 degrees and nights in the 60s. Just think about the weather in Southern California during the tour dates and you will have an idea of the weather you will experience. At the Dead Sea and Masada, add 10 to 15 degrees and there you have it! Just an FYI: while the days may be suitable for warm weather clothes, remember that many Biblical sites will not allow visitors to enter wearing shorts or sleeveless shirts—your knees and shoulders must be covered. We will advise you each evening regarding what to wear for the next day.

## Is It Safe To Travel To The Holy Land?

You may be wondering if it is safe to travel to Israel, the Holy Land, the one place on earth that Jesus actually walked. We felt the same way the first time we traveled to Israel, but we also knew that there were more reasons to go than reasons not to go! Yes, Israel is a star in the news, but think of our own media here in the US, bad news sells and travels fast, its the same with the Holy Land.

On the website you will find articles & current event updates that will give you a different way of looking at the news and may calm your fears about travel to the Middle East. Most return travelers will tell you the biggest fear they had after arriving in Israel was gaining weight!
